SUBJECT: CONSIDER ORDINANCE NUMBER 2014-O-025 GRANTING VARIATION FOR A CORNER LOT FENCE AT 17310 S. 71st AVENUE WITHIN THE RAUHOFF SUBDIVISION AND THE R-4 SINGLE FAMILY ZONING DISTRICT (Wimber) – **Trustee Hannon**

ACTION: Discussion: The petitioner, Richard Wimber, requests a variation from the Zoning Ordinance (Section V, Schedule II – Schedule of District Requirements) for an eleven foot (11') variation from the required twenty-five foot (25') minimum front yard setback to allow for a six feet (6') tall fence to be placed fourteen feet (14') from the property line on the east side of the property. The variation was requested because the Wimbers' house is also 14' from the property line (non-conforming to the current Zoning Ordinance) and they are requesting the fence be placed in alignment with the house. A public hearing was held at the Zoning Board of Appeals (ZBA) on July 10, 2014 and the ZBA recommended that the Village Board grant the variation on a vote of 6-0-1. **This Ordinance is eligible for adoption.**

ITEM #6

SUBJECT: CONSIDER GRANTING A SPECIAL USE PERMIT TO SOUTHWEST SYNERGY DANCE STUDIO AT 7909 171st STREET FOR AN INDOOR COMMERCIAL RECREATION USE GREATER THAN 3,500 S.F. IN A B-1 NEIGHBORHOOD BUSINESS DISTRICT AND THE TINLEY DOWNS SHOPPING CENTER – **Trustee Hannon**

ACTION: Discussion: The petitioner, Connie O’Reel, requests a special use permit to operate a dance studio within the Tinley Downs Shopping Center at 7909 171st Street. Southwest Synergy Dance is relocating from its current location in Orland Hills and will hold approximately 50 dance classes per week for students aged two through eighteen. Dance studios are considered indoor commercial recreation by the Village Zoning Ordinance and recreation uses larger than 3,500 square feet require a special use permit to address the impacts to the neighborhood. The property owner has also agreed to make certain site improvements to the center in order to facilitate the Special Use. A Public Hearing was held at the Plan Commission on July 17, 2014 and the Plan Commission recommended that the Village Board grant the special use permit on a vote of 5-0-4 with the following conditions:

1. A revised Landscape Plan to be due by August 31, 2014 showing the required changes finalized by the Planning Department;
2. A revised Site Plan for the Tinley Downs Shopping Center to be due by August 15, 2014 showing:
 - a. Tenant spaces by square footage; and,
 - b. An accurate plan of the parking lot, including the existing site and required changes finalized by the Planning Department; and,
3. All required improvements to be implemented by October 31, 2014 including:
 - a. Additional landscaping to be added along 80th Avenue and 171st Street bufferyards;
 - b. Additional landscaping/existing landscaping maintenance to occur within parking lot landscape islands;
 - c. Additional landscape islands to be added in the parking lot for aesthetic and traffic calming purposes;
 - d. Re-striping of existing parking stalls;
 - e. Striping of additional parking stalls at the rear of the strip center structure;
 - f. Additional gated dumpster enclosures to be added for each dumpster at the rear of the strip center structure;
 - g. Removal of the temporary banner and sign foundation near the intersection of 80th Avenue and 171st Street (if a temporary or permanent sign permit is not applied for and granted);
 - h. Installation of a “Do Not Block Driveway” sign at the northern curb cut along 80th Avenue;
 - i. Repair of curb within the parking lot/building frontages (specifically nearest 7909 171st Street where Southwest Synergy Dance aims to locate); and
 - j. Upgrades to lighting and security cameras at the rear of the strip center structure.

The Plan Commission noted that the petitioner satisfied the required Findings of Fact as evidenced in the Petitioner’s application and reflected in the discussion documented in the minutes of the Plan Commission. **Consider concurring with the recommendation of the Plan Commission and direct the Village Attorney to draft Ordinance Number 2014-O-027 with this constituting first reading.**

ITEM #7

SUBJECT: CONSIDER GRANTING CERTAIN PARKING, SITE, AND SIGN VARIATIONS TO WENDY’S RESTAURANT AT 7251 183rd STREET WITHIN THE B-3 GENERAL BUSINESS AND COMMERCIAL ZONING DISTRICT AND WITHIN THE NORTH CREEK BUSINESS CENTER (JOHNNY COREY, CBRE & WENDY’S/ARBY’S GROUP, APPLICANT)— **Trustee Hannon**

ACTION: Discussion: Wendy’s Restaurant at 7251 183rd Street seeks to make substantial site improvements to their existing restaurant, including a new facade, changes to signage throughout the site, creation of an outdoor patio, reconfiguration of the parking lot to bring existing parking stalls into conformance with dimensional requirements; and various landscape improvements. Due to new requirements for storm water facilities and changes to the Village’s Zoning Ordinance over the last twenty years, the site requires several variations to comply with current Village Ordinance. The Plan Commission held a Public Hearing on July 17, 2014 and also granted site plan approval and recommended that the Village Board grant the following variations on a 5-0-4 vote:

1. A variation from Section VIII.A.10 (Off-street Parking Requirements) of three (3) parking spaces to allow thirty-nine (39) parking spaces where forty-two (42) parking spaces are required;
2. A variation from Section VIII. Table 2 (Parking Lot Dimension Guidelines) of one foot, three inches (1’3”) to allow for a sixteen foot, nine inch (16’9”) parking lot aisle along the south side of the building where a minimum eighteen feet (18’) aisle is required; and,
3. A variation from Section IX.D.1.c (Sign Development Standards) of one (1) additional wall-mounted sign to allow for three (3) wall-mounted signs where two (2) are permitted on a corner lot.

The Plan Commission noted that the petitioner satisfied the required Findings of Fact as evidenced in the Petitioner’s application and reflected in the discussion documented in the minutes of the Plan Commission. **Consider concurring with the recommendation of the Plan Commission and direct the Village Attorney to draft Ordinance Number 2014-O-028 with this constituting first reading.**

ITEM #8

SUBJECT: CONSIDER RESOLUTION 2014-R-030 AUTHORIZING THE EXECUTION OF AN AMENDMENT TO THE INDUCEMENT AGREEMENT FOR THE CORPORATE HEADQUARTERS EXPANSION OF UGN, INC. – **Trustee Seaman**

ACTION: Discussion: The Village of Tinley Park and UGN, Inc. entered into an inducement agreement associated with expansion of operations and new job creation at the corporate headquarters of UGN located at 18410 Crossing Drive in Tinley Park in April 2013. As part of the incentives, the agreement called for an annual property tax abatement of up to \$6,000 of the Village’s property tax extended against the property which includes the UGN headquarters for a period of seven years beginning with tax year 2013. Because UGN is not the sole tenant of the building, the Company would not directly receive the full benefit of the abatement incentive without an adjusted proration of taxes by their landlord. It was also recently discovered that the required abatement for tax year 2013 was inadvertently overlooked and not adopted so the abatement did not appear on the 2013 tax bill for the property. It was determined to be in the mutual interest of the Village and UGN to change the abatement provision to a property tax rebate to correct the current abatement omission and to better facilitate the administration of the agreement in the future. This item was discussed at the Finance and Economic Development Committee meeting held on July 15, 2014 and recommended for approval. **This Resolution is eligible for adoption.**

ITEM #9

SUBJECT: CONSIDER ENTERING INTO A CONTRACT WITH C. ACITELLI HEATING & PIPING FOR THE REPLACEMENT OF ONE (1) BOILER AND WATER HEATER AT THE VILLAGE HALL - **Trustee Staunton**

ACTION: Discussion: The proposed contract includes the removal and replacement of one (1) existing boiler and the hot water heater along with upgraded piping and controls that are required to accommodate the higher efficiently rating of the new system. Bids were opened on Tuesday, July 8, 2014 and received as follows:

Contractor	Bid Amount
Acitelli Heating & Piping, Villa Park, IL	\$175,000
F.E. Moran, Inc., Downers Grove, IL	\$175,800
Amber Mechanical, Alsip, IL	\$182,425
Premier Mechanical, Addison, IL	\$198,500
Hayes Mechanical, Chicago, IL	\$207,492
Budgeted Amount	\$265,000

Funding in the amount of \$265,000 was included in the current fiscal year for this project. In addition, the Village is seeking grant reimbursement of \$24,000 for the project. This item was discussed at the July 15, 2014 Public Works Committee and recommended for approval. **Consider Entering into a Contract with C. Acitelli Heating & Piping for the replacement of One (1) boiler and water heater at the Village Hall at a not to exceed amount of \$175,000.**

ITEM #10

SUBJECT: CONSIDER APPROVING A CONTRACT WITH CARGILL INC. OF NORTH OLMSTED, OHIO FOR BULK ROAD SALT - **Trustee Staunton**

ACTION: Discussion: For the past several years, the Village of Tinley Park has maintained a contract with Cargill, Inc. for the purchase of the Village’s annual road salt supply. Each of those contracts has reflected a cost per ton that has been at or below the costs that would have been charged to the Village as part of the State of Illinois Central Management Services (CMS) program bid. Due to the exceptionally long and heavy snowfall/winter season last year, the average cost of salt, under the state program, will be \$133.31 per ton. In addition, some municipalities that participate in that program have been advised that there may not be enough salt to cover the supply demands. Cargill has agreed to provide the Village with its annual supply of salt (5,500 tons) at a cost of \$79.00 per ton. This cost per ton price is significantly less than the CMS pricing and the delivery of the 5,500 tons of salt is guaranteed under the terms of the contract. This item was discussed at the July 15, 2014 Public Works Committee and recommended for approval. **Consider approving a contract with Cargill, Inc. of North Olmstead, Ohio for Bulk Road Salt at a not to exceed cost of \$434,500.**

ITEM #14

SUBJECT: CONSIDER RESOLUTION 2014-R-031 PROVIDING FOR AND REQUIRING THE SUBMISSION OF A BINDING PUBLIC QUESTION CONCERNING LIMITING THE TERMS OF OFFICE FOR THE ELECTED OFFICIALS IN THE VILLAGE OF TINLEY PARK, COOK AND WILL COUNTIES, ILLINOIS, TO APPEAR ON THE BALLOT OF THE ELECTORS OF THE VILLAGE OF TINLEY PARK AT THE GENERAL ELECTION TO BE HELD ON NOVEMBER 4, 2014. – **Trustee Leoni**

ACTION: Discussion: The Tinley Park Term Limits Commission was created by the Village to study the question of term limits for Village elected officials. The Commission was unable to find sufficient data to issue a full recommendation that the Village should institute term limits. The Commission did, however, recommend that if term limits were to be instituted by the Village they should be for three (3) terms of four (4) years, in a consecutive format, and without retroactivity to any sitting elected official. This Resolution would provide for a binding public referendum on whether or not the terms of office for those persons elected to the offices of Village President, Village Clerk or Village Trustee in the Village of Tinley Park, at the April 7, 2015 consolidated election and at each election for any of said offices thereafter, shall be limited such that no person so elected may serve more than three (3) consecutive full four (4) year terms in the same office. This issue was discussed at the July 8, 2014 Committee of the Whole meeting and this Resolution was considered at the Budget and Administration Committee meeting held on July 15, 2014. **This Resolution is eligible for adoption.**
