

TINLEY PARK POLICE DEPARTMENT
Citizen Speed Detection Program

Radar Loan Agreement

1. PURPOSE

The purpose of this program is to have concerned citizens assist with the verification of a possible speed problem in their neighborhood. It will also provide a realistic view of traffic patterns on a given street in correlation to time and day of week. If a speed problem is detected, a formal speed study will be conducted by the traffic safety officer followed by recommended actions. Anyone desiring to participate in the program should contact the Village of Tinley Park Police Department at 708-444-5368.
