

Benches on the Avenue

Call to Artists - 2017

For the past 13 years, Tinley Park's *Benches on the Avenue* public art project has been well received by the community; has generated local resident and tourist interest, and has promoted an appreciation of the arts. For the 14th year, the Village of Tinley Park will once again be placing 20 handcrafted wooden benches along Oak Park Avenue in Downtown Tinley Park. They will be on display from mid-May to September 30th. Each bench will be sponsored by a local business or individual who will take possession of the bench.

The Village is currently seeking artists to create unique, kid-and family-friendly designs that will ultimately become bench art. For the 2017 program, the benches will be based on the theme **"The Power of Music"**. We are looking for exciting, imaginative, three-dimensional, child and family-friendly designs depicting how music can affect mood, inspire action or in general evoke powerful emotions in listeners. **Portrayals should be vibrant, colorful and include some degree of 3-D art. Please submit two different designs based on the "The Power of Music" theme.**

Anyone with imagination and a bit of artistic creativity can be part of *Benches on the Avenue*. All you have to do is fill out the attached form and submit it with your designs for review. Selected artists will receive \$400 for supplies and the chance to win one of several awards based on selection criteria (see page 2). Prizes will be awarded in August. All artists will have their biography and image of their bench posted on the Village of Tinley Park website (www.tinleypark.org) and on the Downtown Tinley website (www.downtowntinley.com). A plaque will be attached to the bench with the artist and sponsor's names. In addition to the tens of thousands of residents and visitors who will view the benches, the artists and sponsors will be recognized in the *Benches on the Avenue* walking tour brochure which is available throughout the summer. A copy of the brochure is available from the Village Hall or at the Village website.

Guidelines

The artist may paint, sculpt, transform or adorn the bench, but may not compromise its structural integrity and functionality. **The seating area of the bench must remain clear of decoration except for paint in order to retain its usefulness.** The benches will be placed in areas fully accessible to the public. In creating a design, please consider carefully the weather and other elements of nature, including sun, rain, wind and dirt. Designs should be created with durability and public safety in mind. If you are adding height to your bench, please ensure that it is stable and will not tip over. **Although objects may be attached to the benches, they should be very sturdy as vandalism could occur.** Any object added to a bench should be attached in such a way that it cannot be easily removed. Designs that are religious, political or sexual in nature will not be accepted. Additionally, neither corporate logos nor advertising is allowed.

Selection Process

To avoid duplication of ideas, each artist is required to submit **two different designs**. Once the application has been submitted, it will be reviewed to ensure that the designs conform to the standard outlined above. Artists whose designs have been selected will be notified by **February 28th**. An artist meeting will be held on **March 1, 2017**.

Production of Benches

Artists will create their designs on the six-foot benches in their studios or homes. Artists are responsible for picking up the bench from a Tinley Park location beginning **March 2nd** and transporting it back to that location by **May 5th**.

The artist must prime and putty the entire bench before painting. Any raw edges, especially the top edge of the seat back must be finished with an outdoor spackling paste or wood putty and then exterior water based primer. (Suggested primers are Kilz or Zinzer.) Acrylic paint can be used to paint or spray a design on the bench. All surfaces (front, back and sides) of the bench and planters must be decorated. To complete the artwork, each bench must be finished with three (3) coats of varnish. An exterior grade sealer that is non-reactive, not-toxic, UV-resistant and waterproof is strongly recommended. (Polycrylic by Minwax is sold in a satin, semi-gloss and gloss finish.). Remember, this is an outdoor bench, so it must be finished appropriately. The flowerpots should be decorated and remain unattached so they can be transported to their location, filled and then attached. Artists will **not** be responsible for installation or removal of finished benches at the selected locations.

Prize Categories: Winners are determined by a panel of judges. A minimum of two benches must qualify per category in order for a prize to be awarded. Categories are subject to change based on submissions received.

- Most Creative
- Best First-Time Participant
- Best Family / Group Project
- Best Use of Materials
- Best Portrayal of Theme
- Best Three-Dimensional Bench
- Judge's Choice

Rights and Entitlements: By submitting your application, you confirm that:

1. You are the original creator of your design
2. You have not copied anyone else's original work
3. Your design does not infringe on anyone else's intellectual property rights
(For example, trademark, copyrights, trade dress or design patent)

What You Need to Do: As soon as you decide on your design, notify jcarroll@tinleypark.org of your choices so that we can avoid duplication of ideas. *Next*, send in one copy of the following: application form, color sketch of each of your two design ideas, an artist bio, the title of each bench and a paragraph about each design. Each sketch submitted should show the **front and back** of the bench on separate sheets of 8.5" x 11" paper. The design should fill the paper and should be in full color exactly as it will appear on the bench. ***An application form should be filled out for each of the two sketches.*** The paragraph describing the bench and the artist bio should be completed in the space provided, **not** on a separate sheet of paper. **Handwriting needs to be legible.** The artist name on the top line should read **exactly** as you want it to read on the plaque and in the brochure. Sketches must show the design on **all sides of the bench, including the back and flower boxes.**

Entries must be postmarked no later than February 3, 2017 or dropped off at the Tinley Park Village Hall, 16250 S. Oak Park Avenue, Tinley Park, IL 60477. Please restrict all material submitted to no larger than **8.5" x 11"**. All materials submitted as part of the application will become the property of the Benches on the Avenue Committee.
