WHEREAS, the wastewater service regulations and charges for property within the Kimberly Heights Sanitary District were established by Ordinance number 4, which was passed on the 12th day of March 1990 which replaced earlier regulations; and

WHEREAS, the wastewater service regulations and charges applicable to property outside the Kimberly Heights Sanitary District, but provided service by the District were established by Ordinance (19)97-O-5, which was passed on the 8th day of December 1997; and

WHEREAS, the general provisions established under ARTICLE VIII, SECTION 1 of Ordinance 4 pertaining to billing, late payment penalties, and interest were amended by Ordinance 2005-O-5, which was passed on the 12th day of December 2005; and

WHEREAS, the general provisions established under ARTICLE XII, SECTION 3 of Ordinance 4 pertaining to fees and penalties charged for non-conforming uses were amended by Ordinance 2008-O-4, which was passed on the 21st day of July 2008; and

WHEREAS, the general provisions established under ARTICLE VII, SECTION 7 of Ordinance 4 pertaining to fees and penalties charged for non-conforming uses were amended by Ordinance 2012-O-3, which was passed on the 21st day of March 2012; and

WHEREAS, the District has continued to encounter difficulties in maintaining up to date property ownership (customer) records; and

WHEREAS, the District has regularly encountered properties that have transferred ownership without the property owner having satisfied their financial obligations to the District, and

WHEREAS, the District is required to incur additional time and costs in updating its ownership records and in collection of amounts owed, and

WHEREAS, the Metropolitan Water Reclamation District of Greater Chicago ("MWRD") has mandated that all entities served by MWRD facilities must maintain their sewer systems and take efforts to mitigate Infiltration and Inflow ("I/I") of stormwater entering the collective sewer system; and

WHEREAS, the MWRD has approved a Watershed Management Ordinance ("WMO") which includes provisions that require all entities served by the MWRD to adopt a Long Term Operations and Maintenance Plan ("LTOMP") and Private Sector Program ("PSP") in furtherance of the objective of reducing I/I entering the collective sewer system; and

WHEREAS, the District has identified that a significant quantity of I/I continues to enter the District's public sewer system. WHEREAS, the length of the service laterals contained within the Private Sector rivals that of the public sewer collection system; and

WHEREAS, the majority of service laterals for the homes and buildings within the District are more than forty years old and have deteriorated and received limited or no maintenance which creates an environment conducive for I/I to enter the sewer system; and

WHEREAS, in its continued efforts to maintain the sewer system and reduce I/I, the District desires to identify potential Private Sector sources of I/I through the required creation of the PSP and conducting periodic property inspections; and

NOW, THEREFORE, BE IT ORDAINED by the Trustees of the Kimberly Heights Sanitary District of Cook County, Illinois:

SECTION ONE

That ARTICLE V, SECTION 1 contained in Ordinance 4 of the Kimberly Heights Sanitary District shall be hereby amended to read as follows:

Sec. 1 Inspections

- A. The Kimberly Heights Sanitary District and its authorized employees and officials, the Illinois Environmental Protection Agency, and the U.S. Environmental Protection Agency, bearing proper credentials and identification, shall be permitted to enter all properties for the purposes of inspection, observation, measurement, sampling, and testing in accordance with the provisions of this ordinance.
- B. Prior to the transfer of title to a property served by the Kimberly Heights Sanitary District, an inspection of the property shall be conducted for purposes of identifying proper connection to the Kimberly Heights Sanitary District's public sewer system and condition of the associated service lateral.
 - 1. Transfers of title to real estate that do not result in a complete change in the possession of the real estate shall not require inspection. Title transfers that are exempt from the inspection requirement include transactions in which beneficial ownership of the property has not changed, such as transferring property from an individual's name into a Trust, or from a Trust into an individual's name. Similarly, transactions to remove one of the owners from the title (e.g., as a result of divorce proceedings, or death of a joint owner) where a person included in the title of ownership prior to the change remains in title to the property and continues to possess the real estate. However, this does not prohibit an owner that is otherwise exempt from the inspection requirement from requesting an inspection under this section.
 - 2. The District shall charge a fee for this inspection in such amount as may be set by the Board of Trustees from time to time.
 - 3. A summary of findings inspection report shall be provided to the property owner within 10 days of completion of the inspection. The summary of findings shall identify any defects where

corrective actions are required including guidance regarding the corrections required.

4. If the inspection has identified prohibited connections or uses as provided under ARTICLE I, II, III, or IV, or other defects in the service lateral, the property owner must eliminate the identified prohibited connections and uses, and defects that are required to be corrected (collectively "defects requiring correction"), within ninety (90) days of the inspection report. A reinspection shall be conducted following remediation of the defects requiring correction with no additional inspection fee. A reinspection report shall be issued to the property owner.
5. A copy of the inspection and reinspection report (if applicable) shall be provided to the buyer of the property.

SECTION TWO

That ARTICLE VIII, contained in Ordinance 4 of the Kimberly Heights Sanitary District shall be hereby amended to add SECTION 8 to read as follows:

Sec. 8 Confirmation of Account Prior to Transfer

- A. Every property owner served by the Kimberly Heights Sanitary District shall obtain a Confirmation of the paid status of the account associated with a property prior to a transfer of title to the property.
- B. The Kimberly Heights Sanitary District shall charge a fee for providing the Confirmation of the paid status of the account in such amount as may be set by the Board of Trustees from time to time.
- C. Any amounts owed to the District in connection to the property that is to be transferred shall be paid in full prior to consummating the transfer. Any amounts owed can be included in the closing settlement statement and remitted to the Kimberly Heights Sanitary District promptly thereafter.
- D. The buyer shall provide their contact information to the Kimberly Heights Sanitary District on a form prescribed by the District or in a form and
