

# Partial closure of Oak Park Avenue this weekend

Posted Jan. 30, 2025

Commuters should expect heavy traffic and congestion along Oak Park Avenue from 167th to 159th streets from noon to 8 p.m. Friday, Jan. 31 and Saturday, Feb. 1 due to a partial road closure to accommodate a final farewell caravan for former Tinley Park Assistant Chief Doug Erwin, who passed away earlier this month.

The Tinley Park Fire Department and Naperville Fire Department will have trucks lined up on Oak Park Avenue, and additional neighboring fire departments are expected to participate. Commuters are advised to use another route during that time if possible.

The Village of Tinley Park is doing its best to be respectful of businesses and residents during this time, and thanks everyone for their patience.

Assistant Chief Erwin retired from the Tinley Park Fire Department in 2021 after 26 years of service and was working as EMS Division Chief in Naperville at the time of his death. The Village sends its heartfelt condolences to Assistant Chief Erwin's friends, family, and former coworkers.
