

175th Street project update

Posted: Feb. 21, 2025

Cook County is reconstructing portions of 175th Street and Ridgeland Avenue. Starting Feb. 24, construction activities will resume with the installation of a new 20" sanitary force main on 175th Street from just east of 64th Court to Oak Park Avenue.

Work is expected to last through mid-April, with Nicor's installation of its new 8" gas main to follow immediately thereafter. During this period, a single one-way eastbound lane of traffic from Oak Park Avenue to Highland Avenue will remain open. Residents affected by the work will be given regular updates regarding parking limitations and street closures.

Please note that work is weather-dependent and may change weekly or daily. Crews will work from 7 a.m. to 5 p.m.
