

Village breaks ground on Brookside Creek

Posted: March 28, 2025

The Village recently held a ground-breaking ceremony for the new Brookside Creek Retail Center at the southwest corner of 191st Street and Harlem Avenue. The 72-acre development will include an AutoNation, Gas N Wash, Pete's Fresh Market, and more.

Brookside Creek will complement the Brookside Marketplace shopping center across the street, Credit Union 1 Amphitheatre, Odyssey Fun World, and other new developments such as Topgolf and the Interstate Sports Dome in forming the foundation for what will be a regional entertainment district and the center stage for fun in the area.
