

Benches on the Avenue out soon

Posted: May 2, 2025

It doesn't matter if it's a crunchy bowl of cereal in the morning, a tasty hotdog for lunch, or a plate of spaghetti in the evening - everyone loves chowing down!

Everyone also loves the Village's annual Benches on the Avenue public art project, which makes for a perfect pairing due to this year's very tasty theme of "Favorite Food Moments!"

All 21 Benches will be out starting the week of May 5 through mid-October along Oak Park Avenue from 172nd to 176th streets in Downtown Tinley. Bring your camera (and a few friends) and check them out!

Benches are created by local artists and sponsored by area businesses, which take possession of them after the program is over. You can learn more at TinleyPark.org/Benches. Be sure to stay tuned for the 2025 Benches on the Avenue brochure, which is coming soon!
