

Brudd Scholarship winners honored

Posted: May 9, 2025

The Village Board recently honored the winners of the Reta Brudd Scholarship program for graduating Tinley Park high school seniors. Congrats to students Celia Lindokken from Marist High School; and Zoe Tseng, Benjamin Jett, Alexander Maliwat, and Saja Bader, all from Andrew High School, who each won a \$1,000 scholarship to the college, university, or vocational trade school they will be attending in the fall.

Final selection was based, in part, on the applicant's having provided outstanding service to the community, in addition to his/her participation in the classroom. The scholarship can be applied toward tuition, room and board, or books. Scholarships were made possible thanks to generous donations by Airy's, Inc. and Homewood Disposal Service.

Celia will attend the University of Wisconsin-Madison to study food science, Zoe the University of Illinois to study psychology, Benjamin to Bob Jones University to study secondary education and computer science; Alexander to Northwestern Illinois University to study biological sciences; and Saja to the University of Illinois to study finance.

The program is named in honor of Reta Brudd, who served as a commissioner for 46 years until her passing in April 2019. She contributed more than 20,000 hours of volunteer work and received many recognitions and awards, including a Life Achievement Award from the Tinley Park Chamber of Commerce.
