

Cooling center available for residents

Posted: July 23, 2025

Due to the excessive heat and humidity this week, the Village would like to remind residents that a cooling center is available as needed at the Tinley Park Senior Center, 17355 S. 68th Court.

Residents are advised to call ahead at (708) 444-5300 before they leave to make sure the center is open. Residents are strongly urged to check on their elderly friends, family and neighbors to make sure they are safe.
