

North Street closed for repairs

Posted: Sept. 19, 2025

Portions of North Street in Downtown Tinley will be closed for repairs through Oct. 22.

Work will proceed in three phases. The current phase will run through Sept. 25, followed by the second phase from Sept. 29 to Oct. 8. The east entrance to the north Metra lot will remain accessible from 67th Court and 67th Avenue during these first two phases.

The third phase of the project will run from Oct. 9 to Oct. 22. During this time, the east entrance to the north lot will close, and the west entrance will be accessible from Oak Park Avenue.

Crews have completed work on 173rd Street and 67th Court, and both are now open to traffic.
