

BS&A is the best way to pay

Posted: Feb. 13, 2026

Why use snail mail to send your utility payment when there's a much quicker, safer, and more reliable way to do it?

BS&A, the Village's cloud-based enterprise resource planning system, makes paying utilities a breeze, and you don't have to worry about your payment getting lost in the mail. It's easy, instantaneous, and stress-free!

To begin, all you have to do is set up an account at TinleyPark.org/BillPay by following these steps:

- Select "Currently Not Signed In" in the top right.
- Choose "Register."
- Provide your email address.
- Create a username and password.
- Click the "I agree" and "I'm not a robot" boxes
- Select "Create Account."
- A confirmation email will be sent to the email address you provided. Click the link in the email to finish creating the account.

You can also pay your bill without signing up for an account! Just search your utility billing account number and then go through the steps to pay it. You can find your account number on your water bill or by calling the Public Works Department at (708) 444-5500.
