

Order a brick for the veteran in your life

Posted: Feb. 20, 2026

Friends and family of military personnel who would like to have a brick paver installed at the Gen. Patrick E. Rea Veterans Plaza in time for installation by Memorial Day have until Sunday, March 1 to place an order.

Pavers bear personalized inscriptions that recognize the military person's service to our country and are incorporated into the walkway at Veterans Plaza at the 80th Avenue Metra train station.

To order a brick, just fill out the Brick Paver Donor Program application. The program is open to any individual who is a current or former resident of Tinley Park and has served, or is currently serving, in any branch of the service or is affiliated with any Village veteran organization.
